Short summary and magnitud:

Campus Nooa (Nordic open online Academy) is an accredited online school Norwegian and an international center for online courses and online studies. The school has created a Scandinavian student commission, established an international kvalitetsråd and an advisory body with international experts and committed partners in several countries. The school collaborates with educational institutions, organizations and educators to develop many courses in multiple languages. Campus Nooa is built around the multilingual learning platform Moodle.

Campus Nooa was started in 2012 by Professor of Online Education Morten Flate Paulsen, who has been instrumental in the development of online learning programs and the President of the European Distance and E-Learning Network (EDEN).

Campus Nooa base their online education at the theory of cooperative freedom and transparency in online education as described in the book "Cooperative freedom as the guiding star in online education." This means that the school provides for both cooperative and individual flexibility. Central online educational tools, social media, online learning resources, mind sharing tasks, blog tasks, individual tasks with feedback from the teacher, personal presentations and online discussion forums.

Argument för nomination:

Campus NooA – The International Learning Mall for Online Courses

The writing courses are suitable for anyone that wants to improve their ability to write – such as: journalists, authors, business managers, pensionists, high school students, or, in other words, anyone with a desire to write better English as their first or second language.

NooA's mission is to provide quality online education that creates sustainable value, public awareness and footprints to follow.

NooA's aim is to become an international Learning Mall for Online Courses. This means that it works to develop a multilingual learning community which:

is an attractive partner for individuals and businesses that develop, translate and sell online courses
provides students with much flexibility and much learning value for their money

is accredited in several countries

recruits students from many countries

provides courses at least in English, Portuguese, Spanish, German, French, Danish, Swedish and Norwegian

is among the largest Nordic providers of online courses

The Core values of Campus NooA

The NooA partners comprise e-learning experts in these language areas: English, Portuguese, Spanish, German, French, Danish, Swedish and Norwegian.

The NooA international advisory board consists of experts representing education, environmental issues, art, public awareness, social awareness, technology and social media.

The NooA international quality board is established to monitor and focus on quality in all aspects of NooA's online education activities.

The NooA content partners are companies, organizations and individuals that offer courses in collaboration with NooA. If you would like to become a content partner, please contact Morten Flate Paulsen at mfp@nooa.no

The NooA Mall is an open area where you can meet staff, teachers, students and prospective students. You will be able to access some tidbits of the NooA services and experience some examples of how it is to be a NooA student. You may enter the Mall and read the NooA Newsletter if you register an account [here](#)
